

# Classified/Legals

The Southeast Alaska Power Agency (SEAPA) is soliciting proposals from qualified firms to provide material, equipment, machinery, tools, labor, transportation and other means to clear, trim, and cut trees and brush along rights of way that have the ability to grow to a height that would compromise SEAPA's transmission line. The project area is located on the west side of Carroll Inlet close to SEAPA's Swan Lake Hydroelectric Plant. Bidders must visually inspect the transmission line and surrounding areas, at their own cost, prior to submitting a bid for the project and submit a Certificate of Inspection with their bid document.

For a complete set of the bid documents with additional details, please navigate to: <http://www.seapahydro.org/rfp/php> or interested respondents may call the SEAPA office at 907.228.2281 for a copy.
