## HOUSEHOLD HAZARDOUS WASTE EVENT IN WRANGELL MAY 12 – 13, 2017

The improper disposal of household waste can cause problems for the entire community. Most household hazardous wastes cannot be dumped in the sewer system or at landfills.

The City and Borough of Wrangell sponsors a Household Hazardous Waste collection event on an annual basis. Successful collection events have helped the Borough protect our community's wastewater treatment plant and sanitation utility from hazardous waste contamination.

This year's Household Hazardous Waste event, takes place Friday, May 12th and Saturday, May 13th. The Solid Waste Transfer Facility will accept up to 200 pounds of various types of household hazardous wastes for free. This event is intended for household waste only, not for commercial waste. All other materials will be accepted for the normal disposal fees.

Our full Household Hazard Waste Brochure and the Water Environment Federation's Household Waste Chart can be found on line at: <http://www.wrangell.com/publicworks/annual-hazardous-household-waste-event>. Hard copies are also located at City Hall, the Solid Waste Transfer Facility and at the Public Works office. This brochure describes preventative measures you can take in your home to reduce the quantity of waste you must dispose. For details on what you can do to eliminate hazardous waste from the solid waste stream, contact the Public Works office at 907-874-3904.
